UTAH INLAND PORT AUTHORITY

— Moving Utah Forward —

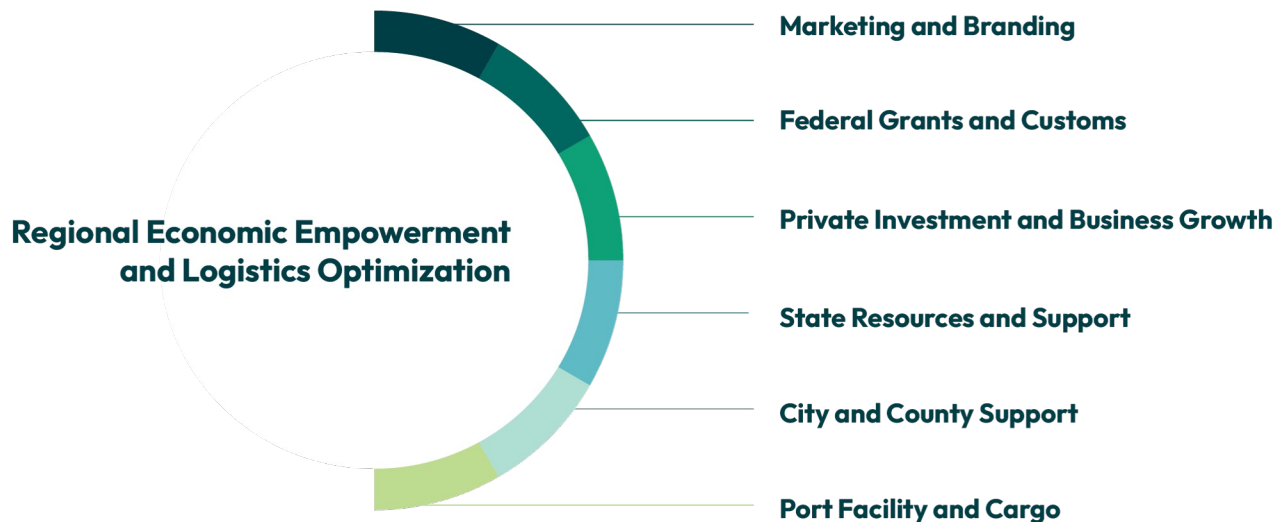

Primary Goals

How Do We Achieve Our Mission and Vision?

Synergize investments to grow regional economies with sustainable growth.

Key NWQ Happenings:

Logistics study:

- Better rail and transportation flow through NWQ
- Less traffic on the roads, less pollution in the air
- Logistics facilities
- Air cargo

Focus on developing an area of economic strength

- Supporting high-wage jobs
- Attracting and creating advanced employment
- Curbing distribution center growth

Protecting the Great Salt Lake, wetlands and our air

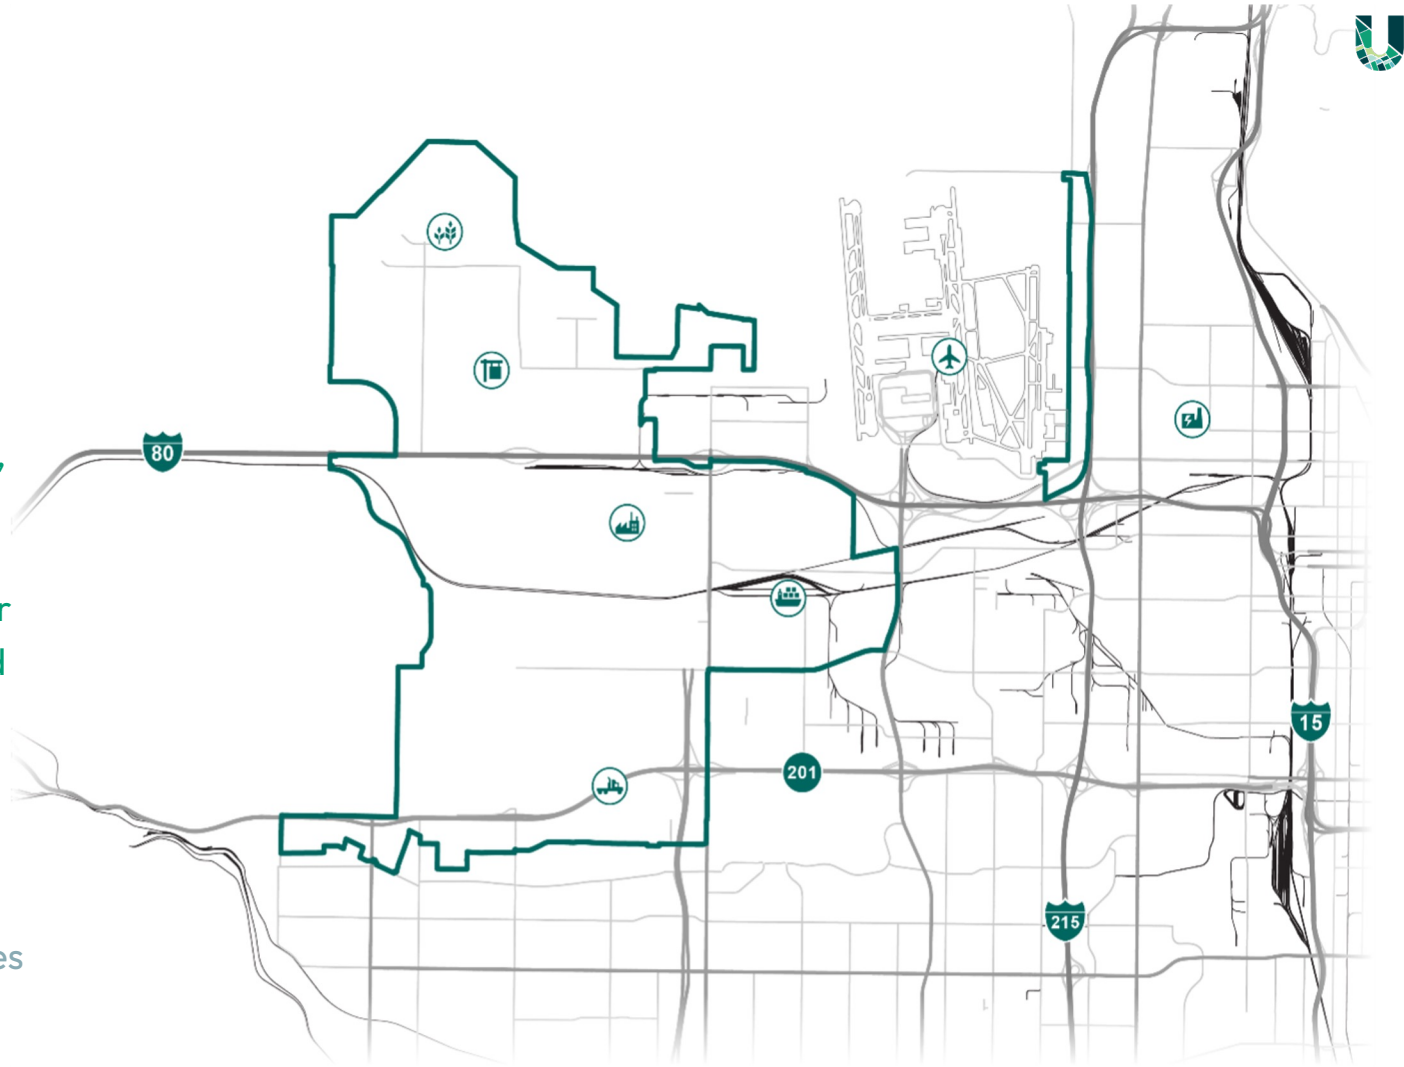

Northwest Quadrant

NWQ sits at the intersection of two interstate freeways, major national railways, and an international airport which puts the area in **high demand** for aerospace, biotech, and advanced manufacturing.

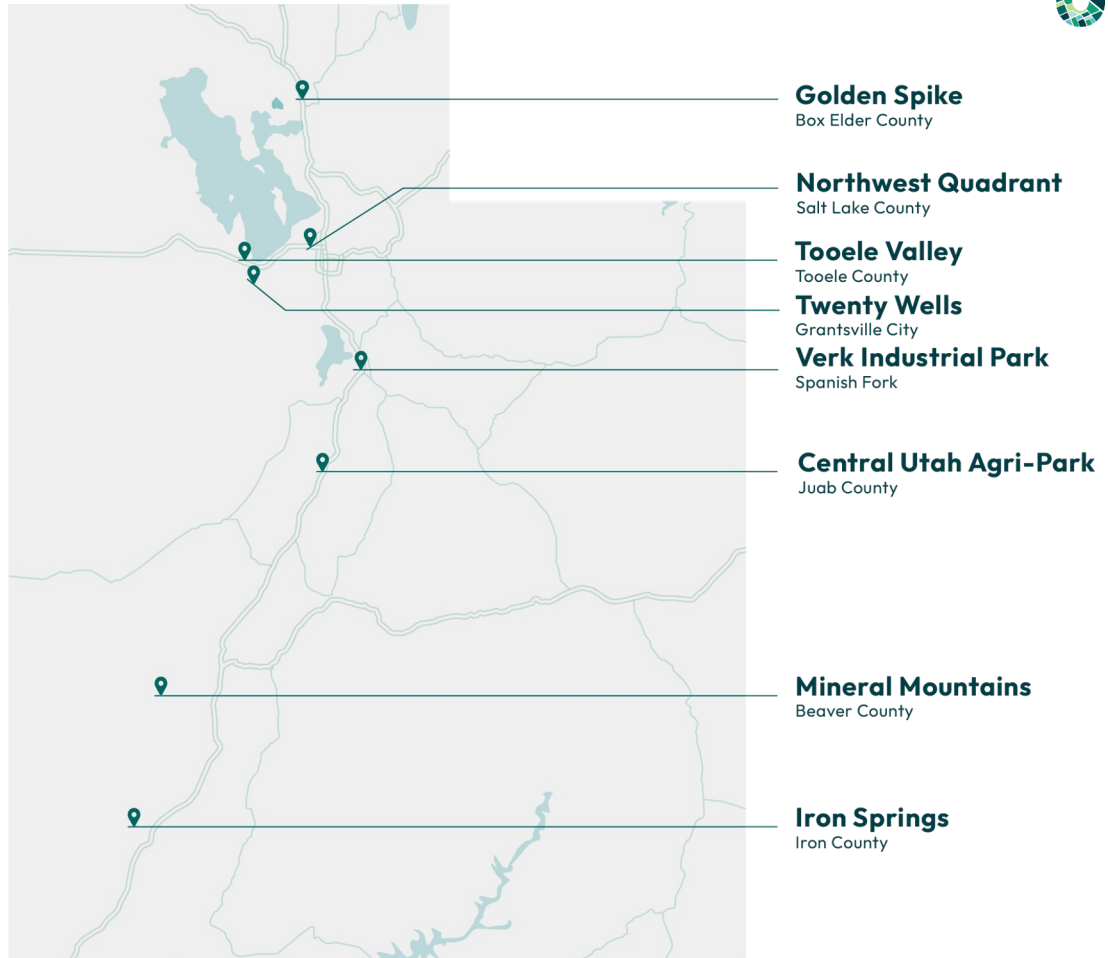

SIZE:
≈ 16,000 Acres

Current & Proposed Project Areas

A **project area** is a hub for collaboration, innovation, and growth designed to facilitate global connectivity and streamline business operations.
